Open Letter

*Amicus curiæ*

10 **10 January 2014**

**May it please Your Majesty,**

In the name of the Immaculate Virgin Mary with Her Child Jesus, greeting!

15 By the grace of Our Lord Jesus Christ, may the healing waters of the Almighty One bring peace to those with troubled hearts, grieving over the tragedy of Anders Behring Breivik and other acts of irrational violence such as is unfolding, for example, in Syria, Philippines, Japan and South Sudan.

The purpose of this letter of healing addressed to Your Majesty, King of Norway, is thereby intended for **all** people, including but not limited to Anders Behring Breivik and those directly affected.

20 The Christian civilisation of *Knútr inn ríki*, Cnut the Great, or King Canute in English, circa AD 985 or 995 to 12 November AD 1035, the *North Sea Empire* of King Canute, in the global, interconnected world-idea of today, has merged in the One ocean of world *civilisation*.

25 This letter is to be read in the context of all our Open Letters and together they provide a spiritual foundation on the non-dual rock of Reality, God, Our Father, the blessed **One** who has Mercy with His world, Our Lord Jesus Christ, for *all* people, regardless of nation, religion or heritage.

## ***The crisis in our world view***

30 ‘Shoot first, ask questions later’, is a terse summary of modern man’s approach to ‘Christianity’ or ‘Truth’. In the particular instance of Anders Breivik and on the world stage of *formal* actors, behind whom masquerade the real forces, this is the case.

Wherever there is a man or nation that adopts this approach, there appears the puppet masters who feed the dance macabre of the ‘*devil*’, who incarnates in social ego, as the *madness of crowds*<sup>1</sup>.

35 This social phenomenon of ‘shoot first, ask questions later’, is exploited by those of great *passion* for control, those of inherently weak minds who seek weaker and ruder minds still to possess and control.

The result is destruction without responsibility, the “globalisation of indifference”.

1 [www.courtofrecord.org.uk/archive/madness/](http://www.courtofrecord.org.uk/archive/madness/)

Syria and South Sudan are recent examples, the list extends back through the last few hundred years of European history, prompting people to ask, 'is there a loving God?'

40 ***The love of Jesus Christ, the Anointed One***

Love indicates the deepest sense of **oneness**, that is accessible in the timeless dimension of the Almighty **One**, YHVH (God), Our Father. Jesus announced this very simply:

*Gospel of Saint John 10:30 I and My Father are One*

That this dimension of oneness is timeless is revealed in the following parable:

45 *John 8:53 Art thou greater than our father Abraham, which is dead? and the prophets are dead: whom makest thou thyself?*

*8:54 Jesus answered, If I honour myself, my honour is nothing: it is my Father that honoureth me; of whom ye say, that he is your God:*

50 *8:55 Yet ye have not known him; but I know him: and if I should say, I know him not, I shall be a liar like unto you: but I know him, and keep his saying.*

*8:56 Your father Abraham rejoiced to see my day: and he saw it, and was glad.*

*8:57 Then said the Jews unto him, Thou art not yet fifty years old, and hast thou seen Abraham?*

*8:58 Jesus said unto them, **Verily, verily, I say unto you, Before Abraham was, I am.***

55 *8:59 Then took they up stones to cast at him: but Jesus hid himself, and went out of the temple, going through the midst of them, and so passed by.*

*The Gospel of Saint John 8:53-59, King James Bible*

This tells us that Our Lord, Jesus Christ, had access to the timeless Almighty One, but while He was with us, he was as we are, a man of flesh and blood, yet He never left us, for He is One and we too may discover this Truth by seeking for the Kingdom of God, *within*.

60 *Matthew 6:33 **But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.***

*The Gospel According to Saint Matthew 6:33, King James Bible*

*Revelation 3:19 **As many as I love, I rebuke and chasten: be zealous therefore, and repent.***

65 *3:20 Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.*

*3:21 **To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne.***

*3:22 He that hath an ear, let him hear what the Spirit saith unto the churches.*

*The Revelation of Saint John the Devine 3:20-22, King James Bible*

70 We too can, 'simultaneously', be "set down" with "my Father in his throne". This then is the **One**; unity with Love.

## ***A new and higher epoch***

75 Whilst the wilfully blind followers of Nietzsche, who refuse to investigate the meaning of the word 'faith' and 'belief' have reached a self made hell, a hell of individualism, a new and higher epoch of true *soul individuality*, a civilisation of love, shall manifest:

80 **A new and higher epoch in our history will come by divine cyclic law: nothing and no one can prevent its birth.** And that will occur through the incarnation of spiritually intuitive men born for this special purpose. It is such an epoch alone which will witness the realization of dreams of world peace and justice, dreams whose failure of realization by political, military, and other means will force by necessity the attempt through the last and only effectual means--moral and intellectual renewal.

85 Notebooks of Paul Brunton

The seven Nordic countries, Norway, Sweden, Åland, Finland, Iceland, Faroe Islands and Denmark, with the cross in their national flags, bears witness that the Nordic region as a whole, is marked to belong to the crucified One, Jesus Christ.

90 It is to our certain knowledge that outside the English speaking world, Sweden and by extension, Norway, has a significant number of people in comparison to other countries, especially young people, who have contemplated the Notebooks of Paul Brunton in depth. The angels of Europe are already in incarnation – in the Nordic countries !

## ***Speaking in images***

95 We read<sup>2</sup> of Her Royal Highness Princess Märtha Louise's fascination with traditional Norwegian folk tales. The ancient people spoke in images, the Nordic races were not an exception<sup>3</sup>. The *Yggdrasil*, the World Tree, evokes the Tree of Knowledge in Genesis, with a description of nine levels of reality. The 'World Serpent' makes its appearance, as does the personification of various aspects of Mind. We have explained some of these visual metaphors in our *Open Letter to Professor Richard Dawkins*<sup>4</sup>.

100 The acceptance of Christianity, together with the Torah of Moses, the Law of God, by the Vikings is not difficult to see, for the spiritually aware amongst them could sense the completeness of the 'civilising' message being received. The Old Norse society of fiercely independent families living in the remote North was growing and developing into an interdependent civilisation.

## 105 ***The 'thing' is with us***

The modern 'Parliament' can trace its history to the 'thing'<sup>5</sup>, a gathering of common people, presided over by a 'law speaker', for we come to speak for *all* men, women and children. In Nordic history, this *icon* is in the *tradition* of Þorgnýr the Law Speaker, of whom we read:

110 [Circa AD 1018] in Tiundaland there was a *lagman* [Law Speaker] who was called Thorgny, whose father was called Thorgny Thorgnyson. His forefathers had for a long course of years, and during

many kings' times, been lagmen of Tiundaland. At this time Thorgny was old, and had a great court about him. He was considered one of the wisest men in Sweden, and was Earl Ragnvald's relation and foster-father.

115 The two kings were at war, and many wise men in both Sweden and Norway tried to reconcile the kings. In 1018, the earl Ragnvald Ulfsson and the Norwegian king's emissaries Björn Stallare and Halte Skeggesson had arrived at the **thing** of Uppsala **to sway the Swedish king to accept peace** and as a warrant marry his daughter Ingegerd Olofsdotter to the king of Norway.

120 The Swedish king was greatly angered and threatened to banish Ragnvald from his kingdom, but Ragnvald was supported by his foster-father Þorgnyr the Law Speaker, who was the wisest and most respected man in Sweden.

Then Thorgny stood up; and when he arose all the bondes [yeomen] stood up who had before been sitting, and rushed together from all parts to listen to what Lagman Thorgny would say. At first there was a great din of people and weapons; but **when the noise was settled into silent listening**, Thorgny made his speech.

125 *“The disposition of Swedish kings is different now from what it has been formerly. My grandfather Thorgny could well remember the Upsala king Eirik Eymundson, and used to say of him that when he was in his best years he went out every summer on expeditions to different countries, and conquered for himself Finland, Kirjalaland, Courland, Esthonia, and the eastern countries all around; and at the present day the earth-bulwarks, ramparts, and other great works which he made are to be seen. And, more over, he was not so proud that he would not listen to people who had anything to say to him. My father, again, was a long time with King Bjorn, and was well acquainted with his ways and manners. In Bjorn's lifetime his kingdom stood in great power, and no kind of want was felt, and he was gay and sociable with his friends. I also remember King Eirik the Victorious, and was with him on many a war-expedition. He enlarged the Swedish dominion, and defended it manfully; and it was also easy and agreeable to communicate our opinions to him. But the king we have now got allows no man to presume to talk with him, unless it be what he desires to hear. On this alone he applies all his power, while he allows his scat-lands [territories paying protection money to the Swedes] in other countries to go from him through laziness and weakness. He wants to have the Norway kingdom laid under him, which no Swedish king before him ever desired, and therewith brings war and distress on many a man. Now it is our will, we bondes, that thou King Olaf make peace with the Norway king, Olaf the Thick, and marry thy daughter Ingegerd to him. Wilt thou, however, reconquer the kingdoms in the east countries which thy relations and forefathers had there, we will all for that purpose follow thee to the war. But if thou wilt not do as we desire, we will now attack thee, and put thee to death; for we will no longer suffer law and peace to be disturbed. So our forefathers went to work when they drowned five kings in a morass at the Mula-thing, and they were filled with the same insupportable pride thou hast shown towards us. Now tell us, in all haste, what resolution thou wilt take”.*

130  
135  
140  
145

Then the whole public approved, with clash of arms and shouts, the *lagman's* speech.

150 The legacy of Our Lord, Jesus Christ, the good news of the Gospel of Our Lord, is that we must not be lazy, we must not pay ‘protection money’<sup>6</sup> - **yet we must achieve this, through righteousness, with “all haste”**, not force of arms or coercive and deceptive practices, the ‘**insupportable pride**’ of today's world-king, the shareholders and puppet masters of the Federal Reserve and the United States.

### ***The Treaty of Versailles: Those who forgot YHVH (God), Our Father***

155 The wisdom of the Nicene creed, the test applied by the *Bishop of Rome*, is that there is not one *iota* of difference between Our Lord Jesus Christ, and YHVH (God), Our Father, the blessed One who has Mercy with His world.

---

6 Fictitious debt, for the dollar, the Euro and the pound do not bind anything in heaven or in earth, the debt, private and public, has no meaning, the debt is void.

160 The wars of the past century proved that the European countries had forgotten how Jesus Christ, YHVH, Our Father, had won us all freedom from the Roman Caesar's rule, for He and the early Christians proved that the command of Caesar was an empty threat, a *Brutum Fulmen*, a legal concept that is as yet valid in England.

165 It may surprise Europeans to learn that today's administrative court orders in England have no force, that they **cannot** issue court orders, they get away with the deceptive practice of threatening letters<sup>7</sup> from the corporate police, corporate town councils and such like and prey upon a gullible population.

In truth, the same is true in Europe – a *European Arrest Warrant is an empty threat*. There is no justice in all of Europe, just 'beat them up' rule by the Islamic code of the Sultan of Brussels.

170 The wars of the past century have also proved that Europeans had forgotten about the nature of God, Our Father, the blessed Almighty **One** who has Mercy with His world, described so accurately by Moses. In short they were Christian and Jews only by external appearances for the Christians and the Jews of Europe took after other Gods.

*Exodus 20:1 And God spake all these words, saying,*

*20:2 I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage.*

175 *20:3 Thou shalt have no other gods before me.*

*20:4 Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth.*

180 *20:5 Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;*

*20:6 And shewing mercy unto thousands of them that love me, and keep my commandments.*

*The Second Book of Moses: Called Exodus 20:1-6*

185 Let us then look not for human personalities to blame but let us consider the Books of Moses in the Torah, where we are warned about the nature of God, Our Father, regarding those who forget and worship other gods, idols made up of words, for example, a 'republic' or a 'bank' or a 'currency' or even 'gold'.

*Exodus 1:8 Now there arose up a new king over Egypt, which knew not Joseph.*

*1:9 And he said unto his people, Behold, the people of the children of Israel are more and mightier than we:*

190 *1:10 Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land.*

*1:11 Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, Pithom and Raamses.*

195 *1:12 But the more they afflicted them, the more they multiplied and grew.*

*The Second Book of Moses: Called Exodus 1:8-12*

The French led the way in the spirit of Exodus 1:10, with the Treaty of Versailles<sup>8</sup>. The

Zionist Jews whom they supported with nuclear secrets, have spread the spirit of the treaty on a world wide scale. The State of Israel and those who covertly support it, features the *Mossad* which does ‘war by deception’, which ‘back-doored’ the ‘United States’, through which they have persecuted the Palestinians, the Middle East and the Africans.

The more they afflicted them, the more the populations of the ‘third world’ countries, the innocent people of God, have grown.

### ***How the ghost of the Islamic Sultan is what inspired Anders Breivik***

European history is not apart from Islamic history, for the Ottoman Empire, ruled by a Sultan, a veritable Caesar, who used the coercive *Brutum* of Caesar to maintain order, creating new ‘laws’ **not** left to the Islamic faith by the Prophet Muhammed, Peace be upon Him.

It is this fear of the Islamic Caesar that has driven the **blind** hatred of all things Islamic and returned the ‘Christian’ and ‘Jewish’ people of Europe to the use of Caesar’s law and the worship of Sultan Sam.

The very idea that one could take a semi-automatic weapon, slaughter one’s fellow men and declare that one is doing this to “protect Christianity” is to be made in the image of the ghost of the Islamic Sultan.

### ***Christians and Jews have forgotten their heritage – and so have the Muslims***

We believe that when the truth of Christianity is contemplated by Anders Breivik, it will begin to percolate his heart, for he thirsts for knowledge. He has plenty of time for contemplation.

Like Anders Breivik, the common people must begin to contemplate how hard won is their current prosperity<sup>9</sup>, how generously we have received from the hand of Providence, rather than complain about imaginary numbers on the books of the *corporate* Sultan’s ghost bank called the Federal Reserve or about the Islamisation of the west.

Like Anders Breivik, the ‘bankers’ and ‘intelligence’ personalities must begin to contemplate their current good fortune – and how ridiculous it is for them to believe that they can remain hidden from the eyes of Our Lord.

Like Anders Breivik, the ‘Islamic’ kings, princes and *jihadists* must reflect that their actions are not righteous, that such actions are not sanctioned by the Koran, that their weapons have not been purchased by honest work, that they are being ‘used’ by those who ‘fund’ such wars and ‘suicide missions’ with stolen money.

### ***Remembering God***

To re-member God, One must look at the world with the eyes of non-duality.

To know that there is no God but Allah and that this **One** is non-dual with Our Lord Jesus Christ or YHVH, Our Father, is not an intellectual exercise requiring ‘belief’ which is nowadays defined as ‘wilful suspension of belief’.

To fully understand the ‘theory of relativity’, one must study both the *field of observation* and the *knower* of the field of observation and *know* that they are **One**, inseparable, non-dual.

---

[www.courtofreord.org/archive/keynes/The\\_Economic\\_Consequences\\_of\\_the\\_Peace/](http://www.courtofreord.org/archive/keynes/The_Economic_Consequences_of_the_Peace/)

9 Prosperity is the continuous extraction of wealth from Nature.

THAT which says I-AM, is not the body or brain, for the *field of observation* includes the body, brain and the 'light cone' in which that body lives.

It is with this oneness of knowing that we must examine the non-dual nature of the world-problem or belief in God problem that is presented to us.

240 The metaphysical basis of altruistic proposals is, in part, sound enough. It teaches that we must clearly negate the illusions of individual existence if we would arrive at the truth of individual existence. **The greatest of those illusions is that, in the external world, an individual stands separate, apart and alone. He does not. He cannot.** Hence when the war compelled entire nations and entire classes within a nation to co-operate in many different ways in order to win it, 245 this dire necessity showed them the virtue and value of co-operation. It made every individual realize that he was not merely a separate individual alone but also a member of an interdependent community. That is to say, the individual began to work for the common welfare because it was essential to his own welfare, too. At first he did it involuntarily and unavoidably, but he did it. And through the actual experience of doing so, **a few individuals began to appreciate the ideal itself**<sup>10</sup>. But they were only the few: for the many, **when the war ended, the outer stimulus to such an attitude also ended. So the altruistic ideal quickly sank below the horizon again.**

Notebooks of Paul Brunton

255 Those who wish to re-member the Almighty One, Our Father, Our Lord Jesus Christ must therefore **not imagine** that it is a simple matter of passion or personality worship or placing one name of God above another.

We pray to Our Lord Jesus Christ, Our Father, the blessed **One** who has Mercy with His world that those who read these letters shall contemplate the Kingdom of God, within and discover Him in their hearts.

260 When the wall between his little ego and the infinite Being<sup>11</sup> collapses, he is said by some Orientals to have entered Nirvana, the Void, and by others to have joined his soul to God.

265 *Luke 17:20 And when he was demanded of the Pharisees, when the kingdom of God should come, he answered them and said, **The kingdom of God cometh not with observation: 17:21 Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you.***

*The Gospel according to Saint Luke, King James Bible.*

*Matthew 6:33 But **seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.***

### **O Righteousness, where art thou?**

Money cannot purchase righteousness, nor guns conquer it – or Caesar crucify it. The *reason-principle* of righteousness must be discovered by each man or woman *within* them.

275 Righteousness lives in the freedom of the Holy Spirit, the freedom of the Holy Spirit does all things. This is the secret of “thy will be done”, which is most difficult for the ego, the devil, to accept.

He must look forward hopefully to the day when he can actually feel the higher self present within

all his activity. It will reign in his inner world and thus be the real doer of his actions, not the ego in the outer world.

280 [www.courtrecord.org/archive/notebooks/para/27372](http://www.courtrecord.org/archive/notebooks/para/27372)

If he begins to think of himself as the doer of this service, the helper of these people, he begins to set up the ego again. It will act as a barricade between him and the higher impersonal power. The spiritual effectiveness of his activity will begin to dwindle.

285 That is pure service where the server feels no importance in himself, where he effaces the gratifying egoism that good deeds may bring to the doer. But where the opposite prevails, then the very act of service itself strengthens self-importance.

290 Those who desert the quest's moral ideals but not its mystical exercises, who seek to gain selfish victories over the rights and minds of others by the use of mental or occult power, become evil-doers and suffer an evil end. Theirs is the way of the **left-hand path**, of black magic, and of the sin against the Holy Ghost. Until retribution falls upon them in the end, they bring misery or misfortune to all who accept their influence.

295 Notebooks of Paul Brunton

This then, is the challenge that confronts every leader, everyone who takes righteous action. One must constantly remember that the Holy Spirit, pure Mind, is the doer and perceiver.

300 The Lord, Our Father, **tests** all who worship Him. In this age of electricities, the temptations of the left-hand path are all around us – even in our ‘bank account’ and in the guns<sup>12</sup> that are supposed to protect us.

Let us then pray to Our Lord Jesus Christ, invoking His Love as the shortest route to righteousness and that such righteousness shall manifest in the heart of God's people.

### ***Defusing the banker's 'Islamic bomb'***

305 The ‘Islamic bomb’ we speak of here, is not some device connected with wires that some mad man is going to blow up in our cities<sup>13</sup>. The Islamic bomb we speak of is the mentality of the Sultan that lies dormant in men such as Anders Breivik, those who are our ‘legislators’ and ‘leaders’, even ‘priests’, notably those invisible leaders who run our banking and ‘intelligence’ services.

310 A hundred years ago a war started whose ‘side effect’ was the end of the Ottoman Empire, the other unseen side effect is that the ‘incarnate devil’ they sought to slay has now metastasised like a cancer into the personalities above mentioned, nationality or religious affiliation no bar.

To say what we have said above is to actively keep at the forefront of our minds that Islamic people are also God's people – the ‘Islamic bomb’ that must be defused lies in ourselves.

### 315 ***Dismantling the Federal Reserve***

A hundred years ago, World War I had not yet started. The rivalry between the Protestant and Catholic kings and between them and the Ottoman Sultan had been exploited by money lenders to enrich themselves and control the countries from within.

12 Guns here denotes weapons from pistols, to tasers, to drones, to nuclear, electromagnetic or scalar weapons.

13 That kind of danger comes from Stuxnet infected nuclear reactors like Fukushima.

320 The Pope, the historical king of kings in Europe had been cornered, together with the people he had to protect. The New York bankers panic of 1908 resulted in British gold, largely of a famous money lending family, that of leading American industrialists and of other significant money lenders, creating the Federal Reserve in 1913, with a charter granted by the Pope of a hundred years.

325 The die was cast for a bunch of faithless bankers whose scientific God of the day was Darwin, to decide to go to war – the result was World War I, the Great Depression and World War II.

Post World War II, the mentality of such bankers, grafted onto their CIA slaves, resulted in the extortion racket of the ‘drug war’ and the ‘war against terror’.

330 The Federal Reserve charter is over. There is nothing left inside there. The **trojan horse of the Federal Reserve Bank of New York**, which we have alluded to in past letters, we believe, has ensured that there is no significant cache of gold inside the ‘United States’.

Fifty percent of the above ground deliverable gold has been produced in the last fifty years, is a rule of thumb to work out why, even if the original cache of gold is still in place, it is relatively irrelevant.

335 Every modern market from the ‘foreign exchange’ market to the drug trade, the growth of opium in Afghanistan, Columbia, etc., is run by the banker/intelligence complex inside the US/ESF/CIA, which is itself so large, that there are factions that fight each other inside. The same is true for the British MI6 and other ‘intelligence’ agencies.

### ***The LORD sent us a Prophet, but we did not listen***

340 *“The Western world is governed by a handful of Shylocks. All those things that you hear about – constitutional government, freedom, liberty, and parliaments – are but jokes. ...*

***“Europe, the centre of the manifestation of material energy, will crumble into dust within fifty years if she is not mindful to change her position, to shift her ground and make spirituality the basis of her life”.***

*Swami Vivekananda, circa 1896 on his return to India after a world tour that included Rome.*

345 The LORD does send us Prophets, the universe responds to their words. By 1946, fifty years after Swami Vivekananda’s pronouncement, Europe had crumbled to dust.

Swami Vivekananda had foreseen the destruction and how it would come – via Saxon Germany and the ‘Chinese’ Far Eastern people.

What was it like listening to Swami Vivekananda?

350 A sudden hush, a quiet step on the stairs, and Swami Vivekananda passed in stately erectness up the aisle to the platform. He began to speak; and memory, time, place, people, all melted away. Nothing was left but a voice ringing through the void. It was as if a gate had swung open and I had passed out on a road leading to limitless attainment. The end of it was not visible; but the promise of what it would be, shone through the thought and flashed through the personality of the **one** who gave it. He stood there — prophet of infinitude.

### ***There is no market***

360 There is no market, for gold does not circulate. Printed currency cannot substitute for gold for there is no risk to the principal. Due to the virtual reality of the foreign exchange and electronic gold marketplace, there are no prices set in gold.

365 In 2008, 15 Trillion US dollars were created and placed into the Royal Bank of Scotland (RBS) and five year Medium Term Notes (MTNs) circulated as a result of the 2008 Lehman Brothers crisis. The result is that today the circulating bank liabilities in Euros have been mopped up, there is no liquidity and a number of 'sovereign wealth' funds have been *entrapped* by the 'bank roll' programs.

### ***Bills of Exchange***

370 A return to contracts denominated in God's substance is a condition for peace. The international Bills of Exchange marketplace in London was shut down at the onset of hostilities in 1914. Rt. Hon. Theresa Mary May, M.P., Housekeeper of Her Majesty's Commonwealth of Nations has been given the responsibility by this Court of Record to facilitate a return to lawful trade of substance for substance.

### ***Investigations under way in this Court of Record***

375 The "9/11" destruction of the World Trade Centre, the Fukushima nuclear explosion and Tsunami, the **Norway Spiral**<sup>14</sup>, the **Norway Doomsday Seed Vault**<sup>15</sup> and so on, including but not limited to weather modification equipment, gold extraction from sea water, the use of the Arctic as a giant heat sink for super-high power energy equipment causing 'climate change', 'Chem Trails' to seed the atmosphere, bible tampering, etc., are under investigation in this neutral Court of Record of the ***Almighty One***.

### ***No Immunity***

380 Our *Letter Rogatory to the British Cabinet/Parliament* and the subsequent *Motu Proprio* of Pope Francis has stripped all legal officials worldwide of immunity.

### ***Dissolution of judicial entities***

385 The lifeless, *formal*, corporate entities known as the United Nations, the United States and the European Union must be dissolved. They cannot, of their own accord, answer. They do not, of their own accord, have any lawful money or resources.

390 It is a stunning fact that all the Parliaments and Congresses of the world, with men and women who are 'elected representatives', have failed to question 'money' in circulation, thereby committing **treason** to those that they purport to represent. They could not, for any one who got that smart, is threatened by the 'Official Secrets Act' or similar equivalent. Oath of office is loss of nationality and freeman status.

In the 'United States', all oaths of office come under 22 CFR, Foreign Relations, Sections §§92.12 - 92.30, and all who hold public office come under Title 8 USC, Section §1481 "**Loss of nationality** by native-born or naturalized citizen; voluntary action; burden of proof; presumptions."

395 This dissolution of giant corporate entities is good news for liberty, privacy, freedom of all – from the common man to Federal Reserve shareholders to those who are kings. With liberty comes responsibilities; trusteeship of God's creation and the Rule of God's law.

### ***Root of Authority no longer in the Crown Temple, London***

The Crown Temple in London has been stripped of the root of its authority. This includes

400 but is not limited to judicial entities managed by the Crown Temple system, for example, the United Nations, the United States and the European Union; the intelligence agencies such as MI6, MI5., etc., and other clandestine networks that manage countries such as Israel, Russia and China.

405 Our letters to President Putin of Russia have made the North Atlantic Treaty Organisation (NATO) outdated in an instant, for President Putin of Russia has become one of the Allies for the Rule of God's Law.

410 Our letter to the King of Saudi Arabia, the *Custodian of the Two Holy Mosques* and the Crown Prince, has made them see the irrelevance of the United Nations Security Council, from which they have resigned. They see themselves in a difficult, desperate position due to their complicity in many events. Yet there is a chance for forgiveness and reason to prevail and they have indeed sponsored a conference<sup>16</sup> for inter-religious reconciliation and dialogue.

We suggest that Your Majesty employ abundant caution when dealing with *formal*<sup>17</sup> representatives of the United Kingdom, United Nations or other judicial entity. Directly contact Pope Francis or Prime Minister Rt. Hon. David Cameron for advice.

#### 415 ***Revolution in UK/EU/US stymied***

The revolution planned inside the UK, EU and US has been stymied, as we believe we have caught the British warship HMS Daring "red handed" in the act of removing WWII gold from the Philippines resulting in a complete world realignment.

420 The Russian Navy force we requested arrived with a trawler<sup>18</sup>. Rt. Hon. David Cameron visited China to sign a treaty<sup>19</sup>. Russia to get 40 new warships in 2014<sup>20</sup>. Russia and Japan have renewed diplomatic relations. Fukushima radiation contamination is seen as a problem in Russia. Ukraine does not use IMF facilities as a result of Russia extending the necessary 'dollars'. We suggest that Your Majesty directly contact President Putin of Russia.

425 The European Union, has demonstrated its bankrupt status by the Cyprus Financial Crisis. See our letters to Cyprus<sup>21</sup>. Resource rich countries such as Russia and Norway must act with the generosity of Mother Mary for Her children.

#### ***No legal money - all claims to be settled in this Court of Record***

430 This Court of Record has a claim on "all the gold in the world" together with "all the infrastructure", and "all the weapons", for by 'Uniform Commercial Code (UCC) Mirror Reflection', all assets are owed back to the people of the world. This is covered in detail in our past open letters.

435 Thus, this is the Neutral Court of Record of the Sovereign Almighty One, come to protect the patrimony of the ***Bishop of Rome***, Her Majesty Queen Elizabeth II, the Queen of England and ***all*** of God's people, which therefore includes Your Majesty and all the men, women and children of Norway.

## ***Danger of False Flag attack***

This realignment also means that planned ‘currency revaluations’, designed to **entrap** the gullible and foolish, may go ahead in the United States, identifying such entrapped people as legal children. There are parties inside the United States that are attempting by proxy to start a war or stage a false flag attack or “terrorist attack” - these are legal idiots before the Almighty One, full time lunatics, with whom reason does not yet prevail.

Royal Norwegian Navy ships are currently escorting chemical weapons currently retrieved from Syria.

- We would suggest that men who are known to be completely loyal to Your Majesty be involved in **accounting and assaying the destruction process** of these chemical agents and the chemical products of the destruction process to ensure that the chemicals do not fall into the hands of the CIA or U.S. Navy, who may act without accountability or be deceived by those cleverer than they.
- We would suggest that men known to be loyal to President Putin of Russia be also involved in this process of accounting and assaying the destruction process, in addition to any men from Britain, the United States, China, the United Nations or other ‘country’.

We believe that the war in South Sudan is a proxy war between forces inside the intelligence agency network. We also believe the same is true regarding the long running conflict between Israel and Palestine. This pattern can be seen in wars in the Pacific, Middle East, Vietnam and South America as well.

We suggest that Your Majesty’s good offices can assist Pope Francis to bring about peace.

## ***Financial warfare by the U.S. Exchange Stabilisation Fund (ESF)***

The secret bankruptcy of the United States in 1933 left the United States with a “gold certificate” upon which to conduct business. The IMF is just a front for the ESF.

The “drug war” is basically an ESF/CIA operation based on the Rockefeller Drug Laws to prop up the value of the dollar by draining legal tender Federal Reserve Notes from the ‘United States’. We believe that the Iraq war was used to retrieve bonds from the Iraq Central Bank, which would logically be used in the planned ‘currency revaluation’ of the Iraqi Dinar.

This madness has gone on for 100 years as the operators of the hundred year Federal Reserve charter expanded their power and influence.

## ***The blessing behind the curse of financial war and advanced weapons***

A hundred years ago no one foresaw nuclear weapons, ‘star wars’, etc. When Jesus said “or the rocks would cry out”, man has now proof that rocks do cry out in such weapons. The Almighty One has arranged for man to come of age, not just believe, but *know*, not just fear God, but fear his own nature, for “I and My Father are **One**”. Baptised by the Holy Spirit, *knowing one*, we enter heaven, not knowing, we live in a self created hell of separate existence.

## ***Peace: The Rule of God’s Law***

God’s law remains an abstract concept for European governments used to centuries of slaughter under the Shylock of the Sultan’s canon law. They only have themselves to blame for having abandoned a reliance on Truth and adopted a reliance on things that go bang. The image is of those who abandoned Saint Peter and worshipped Salt-Peter.

The release of the secrets of the bible by Martin Luther, the legacy of which is the Lutheran Church of Your Majesty, resulted in a far greater transformation than any European government of today, or even the Roman Catholic Church can conceive.

480 The search for Truth became democratised and outside of the control of Church hierarchies and apostolic lineages. The result of this multi-century process is this letter, for the tree of the common man's bible has begun to bear fruit.

### ***The Governance of Peace***

485 Your Majesty must take urgent action as Your Majesty's Navy is already engaged in protecting those who are removing chemical weapons from Syria.

We suggest that Norwegian men who are of unquestioned loyalty to Your Majesty supervise the process. The chemicals must be assayed and accounted for, ounce for ounce, all the way through to the disposal of the neutralised chemical agents.

490 We suggest that there is a danger that the chemicals may fall into the hands of the CIA (Al-CIA-duh) or other intelligence agency that may divert these chemicals for false flag terrorist attacks as has routinely been used in the past century to start wars.

495 We suggest that Your Majesty review all facilities within Norwegian territories to ensure that covert weapons are not in use, including but not limited to energy weapons that can alter the weather or cause earthquakes, nuclear reactors that are infected or back-doored and to examine all such facilities for the production of gold from sea water and/or the dumping of large amounts of energy into the Arctic or atmosphere.

500 We suggest that Your Majesty review all 'intelligence' agency and military personnel for their beliefs and loyalties. The book *Pawns in the Game*<sup>22</sup> by William Guy Carr outlines the systematic degradation of humans to create ruthless men with no belief except in sadistic violence. These are the men who run many of today's intelligence agencies which run the drug trade and spy networks.

505 We suggest that Your Majesty monitor all 'court' and 'police', 'bailiff' accounts and in general set in place monitoring of bank accounts and banks to detect and prevent activity that leads to revolution, terrorism, war or collapse of banks like has already manifested in Cyprus and Iceland.

We suggest that Your Majesty review all 'European Union' and 'State' officials and activities.

We suggest that Your Majesty remove those officials from positions of power or justice who have been abusing their power to force themselves on children as has been alleged to be occurring at very high levels in the European Union<sup>23</sup>.

510 We suggest that Your Majesty make available a full set of our Open Letters and internet access to where they are published at [www.courtrecord.org](http://www.courtrecord.org) to Anders Breivik and other offenders who wish to transform themselves by the grace of God, Our Immaculate Virgin Mary with Her Child Jesus to become righteous men and women.

515 We suggest that Your Majesty adopt the principle of Mercy of Our Immaculate Virgin Mary with Her Child Jesus to grant true righteous sight to those who have been blinded by the moral standard of deceit. This is the Power that will transform a 'justice' system with courts and prisons run by the Machiavellian prince of darkness to a new era where souls can *repent* and then *realise* righteousness and salvation, no matter how low they have fallen.

## ***Grant of Authority and Title***

520 By the love of Our Lord Jesus Christ, we create, found, ordain and establish the titles, *Duke of Norway in Her Majesty's Commonwealth of Nations* and *Barron of these Global Isles*.

Should Your Majesty choose to accept these titles, they grant Your Majesty all such rights and privileges thereof for the maintenance of Christian peace, man made boundaries and limitations notwithstanding.

525 A copy of our letter to Her Majesty Queen Elizabeth II regarding HMS Daring<sup>24</sup> is enclosed. In this letter Your Majesty may note that this Court of Record has instituted a military tribunal under the Lord High Admiral Prince Philip.

We suggest that Your Majesty coordinate with this military tribunal in all matters in Admiralty. We suggest that this military tribunal coordinate all action regarding the  
530 destruction of the chemical weapons in Syria.

## ***Settling peace***

The peace and freedom of the Holy Spirit cannot be coerced. Mankind must return to contracts denominated in substance. Natural goods such as oil make a measurable and verifiable unit of contract. Norway is blessed with an abundance of such goods. We invite Your  
535 Majesty to issue such contracts and to thereby replace the banking systems that have caused war and destruction for these past centuries.

We pray to Our Immaculate Virgin Mary with Her Child Jesus that Your Majesty will be moved to assist all men of goodwill to restore Peace in Earth as it is in Heaven.

Yours faithfully,
