Dear Minal,

It appears that Mrs Justice Rose has abandoned ship in admiralty and Mr Justice Warren is prevaricating. There is no 'contempt of court' for an administrative court of no authority.

It can be seen from the earthquake in Italy that, 'Medici' the CAESAR who presided, via Mrs. Justice Rose, over the so-called 'Royal Courts' was "busted", with the resulting "wailing and gnashing of teeth".

Petulant begging (soliciting) has its own reward. There is contempt of the Court of the Court of Record, "Thou shalt not challenge YHVH in Admiralty".

The matter of High Treason and the disposal of the assets of all the 'bankers' is sub judice in this Court of Record.

I trust that this clarifies matters before us.

Best regards,

Keir

Dear Keir,

Further to our earlier conversation, please find attached a copy of the Order that the other side has sent to me. The Judge has listed it for a further hearing and confirms you are required to attend and if you do not the Judge will consider hearing the matter without you and may issue a Bench Warrant., If you fail to attend they may consider that you are in contempt of court.

I understand this is the same information the high court gave you when you telephoned.

I know you understand the position you are in please let me know if I can prepare an affidavit for you or arrange for you to be represented at court.

Kind regards

Minal
